3 July 2019

Dear Sir/Madam

### **A303 Ilminster Bypass improved signing and lining**

Highways England plans, builds, operates and maintains England's motorways and major A roads. I am writing to let you know we will shortly be carrying out roadworks near to you. A map detailing the location is included within this letter.

#### **The works**

We're installing upgraded road markings and enhanced signage along the A303 Ilminster Bypass in order to raise driver awareness and improve safety. Whilst working in the area we will also take the opportunity to carry out layby maintenance. Please accept our apologies in advance for any inconvenience this may cause.

#### **When will this work take place?**

**Start** – 15 July 2019

**End** – 31 July 2019

**Hours of work** – 8pm to 6am, Monday to Friday

To minimise disruption, we'll work overnight when there are fewer vehicles on the road. During the day we will keep the carriageway open as usual.

Please note that the precise dates and times of the works may be subject to change due to weather conditions or unforeseen circumstances. Where possible, we'll keep you updated of significant changes.

#### **What does this mean for you?**

**For road users:** The A303 will be closed overnight between Southfields roundabout and South Petherton Roundabout between the hours of 8pm and 6am. A fully signed diversion will be in place. Please allow extra time for your journey.

**For residents:** please accept our apologies in advance for any inconvenience or disruption you may experience during this work. We'll make every effort to carefully manage noise levels and additional lighting to minimise the impact.

**Find out more**

If you have any questions, or if you would like to know about our work, please contact us on **0300 123 5000** or email [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk).

Yours faithfully

Andrea McAllister
